

WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS

TO: Susan L. Schneider, attorney for the United States of America

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

5. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court except for objections based on a defect in the Notice in Lieu of Summons or in the service of the Notice in Lieu of Summons.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

ORDER - DISCLAIMER OF
INTEREST

The following background information is provided to aid in understanding the reasons for and what is required by this Order:

1. The Court has ordered that certain persons and entities be included as parties in this action because they own water rights within one or more of the nine categories set forth in Paragraph 3 of the Court's April 18, 2000 Case Management Order.

2. It is possible that some of the specific persons or entities who are served with a Waiver of Service of Notice in Lieu of Summons, Notice of Lawsuit, or a Notice in Lieu of Summons do not belong in this action, because, for example, they may have sold or otherwise conveyed the ownership of all water rights subject to this action prior to being served.

3. A change in ownership of a water right can occur in a number of ways and for a variety of reasons. Often a change in ownership of a water right occurs when ownership of the land on which the water is used changes. A change in ownership may involve a sale, a gift, a death or even a divorce. It may also involve estate or business planning decisions, such as conveyance to an inter vivos trust or a limited liability company. Frequently, changes in ownership are accomplished by a deed. However, in an estate or divorce proceeding, they may be accomplished by an order of a court. These examples are not an exclusive list of all of the

ways in which a change in ownership may occur.

It is important that the Court and the Plaintiffs be notified if a person or entity who receives service by mail or personal service does not, in fact, have any ownership interest in a water right in any of the nine categories set forth in Paragraph 3 of the Court's April 18, 2000 Case Management Order. In addition, that person or entity need not be burdened with this litigation and, if there was a change in ownership, a new party may need to be added to the action. Before any such person may be omitted from this action, certain information and documents will have to be provided to the Plaintiffs and the Court.

Based upon the foregoing, it is hereby ORDERED as follows:

1. If any person or entity receiving service by mail or personal service has no interest in any water right within any of the nine categories set forth in Paragraph 3 of the *Case Management Order* (Apr. 18, 2000)¹, that person or entity shall notify the Court and the

You should review the *Case Management Order* and *First Amended Counterclaims* filed by the United States and by the Walker River Paiute Tribe, which are included in the materials served upon you. For convenience, the nine categories of persons and entities that the Court has ordered to be served and named are listed here:

1. Category 3.a.: The successors in interest to all water rights holders under the Decree (April 14, 1936), modified, Order of Entry of Amended Final Decree to Conform to Writ of Mandate, Etc. (April 24, 1940) ("Decree").
2. Category 3.b.: All holders of surface water rights under the laws of the States of Nevada and California in the Walker River Basin who are not presently parties to this adjudication.
3. Category 3.c.: All holders of permits or certificates to pump groundwater issued by the State of Nevada and domestic users of groundwater within Sub Basins 107 (Smith Valley), 108 (Mason Valley), 110A (Schurz Subarea of the Walker Lake Valley), and 110B (Walker Lake Subarea of the Walker Lake Valley).
4. Category 3.d.: All holders of permits or certificates to pump groundwater issued by the State of Nevada within Sub Basins 106 (Antelope Valley), 109 (East Walker), and 110C (Whiskey Flat-Hawthorne Subarea of Walker Lake Groundwater Basin).
5. Category 3.e.: All users of groundwater for irrigation in California in the Walker River Basin.

1 United States in writing of that fact.

2 2. If such person or entity sold or otherwise conveyed ownership of all of the water
3 rights that the person or entity once owned before they were served or otherwise brought into
4 this action, in addition to disclaiming any interest in this action, they shall include a notice
5 providing the following information:

- 6 A. The name and address of the person or entity who sold or otherwise
7 conveyed ownership;
8 B. The name and address of each person or entity who acquired ownership;
9 and
10 C. A copy of the deed, court order or other document by which the change
11 in ownership was accomplished.

12 3. The disclaimer and notice shall be sent to the Court and counsel for the United
13 States, addressed as follows:

14 Linda Lea Sharer, Chief Deputy Clerk
15 United States District Court for the District of Nevada
16 400 South Virginia Street, Suite 301
17 Reno, NV 895501

18 Susan L. Schneider
19 United States Department of Justice
20 P.O. Box 756
21 Littleton, CO 80160

22 4. The form and substance of the disclaimer and notice shall substantially conform
23 to the form attached to this Order as Exhibit A.

24 5. Following their receipt from any person or entity disclaiming any interest in any

25 6. Category 3.f.: All holders of "vested rights" to the use of groundwater under the laws
26 of the State of Nevada within the Walker River Basin.

27 7. Category 3.g.: All municipal providers in Nevada within the Walker River Basin
28 who currently use groundwater.

29 8. Category 3.h.: All municipal providers in California within the Walker River Basin
30 who currently use groundwater.

31 9. Category 3.i.: All industrial users in Nevada within the Walker River Basin who
32 currently use groundwater.

1 of the water rights at issue in this case of a Waiver of Service of Notice in Lieu of Summons
2 and any Disclaimers of Interest and accompanying information and documents sought by this
3 Order, Plaintiffs will review the materials received and, if appropriate, seek the Court's
4 concurrence in omitting that person or entity filing such materials from this case.

5 6. If Plaintiffs do not receive a Waiver of Service of Notice in Lieu of Summons
6 and must personally serve a person or entity that subsequently files a Disclaimer of Interest
7 pursuant to this Order, Plaintiffs will also review the materials received and, if appropriate,
8 seek the Court's concurrence in omitting the person or entity from this case, but that person or
9 entity may be subject to paying the costs related to formal personal service on them.

10 7. Despite the above provisions, any person or entity who files a Disclaimer of
11 Interest in this matter is ultimately responsible for the accuracy of this filing. Consequently,
12 any person or entity who files a Disclaimer of Interest, but, in fact, has water rights subject to
13 this litigation, shall nevertheless be bound by the results of this litigation.

14 8. Any person or entity subject to service under the Federal Rules of Civil
15 Procedure who receives notice of this action in the manner provided by Federal Rule of Civil
16 Procedure 4(d) remains subject to the duty to avoid unnecessary costs of serving the summons,
17 even if that person or entity ultimately disclaims any ownership interest in any of the water
18 rights described by Paragraph 3 of the Court's April 18, 2000 Case Management Order.

ORDER REGARDING
CHANGES IN OWNERSHIP
OF WATER RIGHTS

U.S. DISTRICT COURT
DISTRICT OF NEVADA
ENTERED & SERVED
JUL 16 2003
CLERK U.S. DISTRICT COURT
BY

The following background information is provided to aid in understanding the reasons for and what is required by this Order:

1. The Court has ordered that certain persons and entities be included as parties to this action because they own water rights within one or more of the nine categories set forth in Paragraph 3 of the Court's *Case Management Order* (Apr. 18, 2000).

2. During the course of this action, it is possible that a party will sell or otherwise convey ownership of all or a portion of the water rights which that party owned when brought into this action by a Waiver of Service of Notice in Lieu of Summons or by service of a Notice in Lieu of Summons.

3. A change in ownership of a water right or a portion of a water right can occur in a number of ways and for a variety of reasons. Often a change in ownership of a water right occurs when ownership of some or all of the land on which the water is used changes. A change in ownership may involve a sale, a gift, a death or even a divorce. It may also involve estate or business planning decisions such as conveyance to an inter vivos trust or a limited liability company. Frequently changes in ownership are accomplished by a deed. However, in an estate or divorce proceeding they may be accomplished by an order of a court. These examples are not

1 a exclusive list of all of the ways in which a change in ownership may occur.

2 4. It is important that the Court and the Plaintiffs be notified of changes in the
3 ownership of water rights while this action is pending because among other things, a change in
4 ownership may require that a new party be included in the action, or that a present party be
5 dismissed or both.

6 Based upon the foregoing it is hereby ORDERED as follows:

7 1. If a party to this action sells or otherwise conveys ownership of all or a portion of
8 any water right within any of the nine categories set forth in Paragraph 3 of the *Case*
9 *Management Order* (Apr. 18, 2000)^{1/}, that party shall, within sixty days after any such change in

10

11 ^{1/} You should review the *Case Management Order* and *First Amended Counterclaims* filed by
12 the United States and by the Walker River Paiute Tribe, which are included in the materials served
13 upon you. For convenience, the nine categories of persons and entities that the Court has ordered
to be served and named are listed here:

- 14 1. Category 3.a.: The successors in interest to all water rights holders under the Decree
15 (April 14, 1936), modified, Order of Entry of Amended Final Decree to Conform to
Writ of Mandate, Etc. (April 24, 1940) ("Decree").
- 16 2. Category 3.b.: All holders of surface water rights under the laws of the States of
17 Nevada and California in the Walker River Basin who are not presently parties to this
adjudication.
- 18 3. Category 3.c.: All holders of permits or certificates to pump groundwater issued by
19 the State of Nevada and domestic users of groundwater within Sub Basins 107
(Smith Valley), 105 (Mason Valley), 110A (Schurz Subarea of the Walker Lake
Valley), and 1102 (Walker Lake Subarea of the Walker Lake Valley).
- 20 4. Category 3.d.: All holders of permits or certificates to pump groundwater issued by
21 the State of Nevada within Sub Basins 106 (Antelope Valley), and 109 (East
Walker), and 110C (Whiskey Flat-Hawthorne Subarea of Walker Lake Groundwater
Basin).
- 22 5. Category 3.e.: All users of groundwater for irrigation in California in the Walker
River Basin.
- 23 6. Category 3.f.: All holders of "vested rights" to the use of groundwater under the laws
24 of the State of Nevada within the Walker River Basin.
- 25 7. Category 3.g.: All municipal providers in Nevada within the Walker River Basin who
26 currently use groundwater.
- 27 8. Category 3.h.: All municipal providers in California within the Walker River Basin
who currently use groundwater.
9. Category 3.i.: All industrial users in Nevada within the Walker River Basin who
currently use groundwater.

ownership, notify the Court and the United States of the change in ownership.

2. The notice required by this Order shall provide the following information:

A. The name and address of the party who sold or otherwise conveyed ownership;

B. The name and address of each person or entity who acquired ownership; and

C. A copy of the deed, court order or other document by which the change in ownership was accomplished.

3. The notice shall be sent to the Court and counsel for the United States addressed as follows:

Linda Lea Sharer, Chief Deputy Clerk
United States District Court for the District of Nevada
400 South Virginia Street, Suite 301
Reno, NV 89501

Susan L. Schneider
United States Department of Justice
P.O. Box 756
Linleton, CO 80160

4. The form and substance of the notice shall substantially conform to the form of notice attached to this order as Exhibit A.

5. Any person or entity who files a Notice of Change of Ownership of Water Right using the attached form or provides information for this purpose by other means is ultimately responsible for the accuracy of this filing. Consequently, any person or entity who files such a notice regarding water rights subject to this litigation, but retains such water rights, shall nevertheless be bound by the results of this litigation.

WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS

TO: Susan L. Schneider, attorney for the United States of America

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

ORDER - DISCLAIMER OF
INTEREST

The following background information is provided to aid in understanding the reasons for and what is required by this Order:

1 The Court has ordered that certain persons and entities be included as parties in this action because they own water rights within one or more of the nine categories set forth in Paragraph 3 of the Court's April 18, 2000 Case Management Order.

2 It is possible that some of the specific persons or entities who are served with a Waiver of Service of Notice in Lieu of Summons, Notice of Lawsuit, or a Notice in Lieu of Summons do not belong in this action, because, for example, they may have sold or otherwise conveyed the ownership of all water rights subject to this action prior to being served.

3 A change in ownership of a water right can occur in a number of ways and for a variety of reasons. Often a change in ownership of a water right occurs when ownership of the land on which the water is used changes. A change in ownership may involve a sale, a gift, a death or even a divorce. It may also involve estate or business planning decisions, such as conveyance to an inter vivos trust or a limited liability company. Frequently, changes in ownership are accomplished by a deed. However, in an estate or divorce proceeding, they may be accomplished by an order of a court. These examples are not an exclusive list of all of the

206

ways in which a change in ownership may occur.

4. It is important that the Court and the Plaintiffs be notified if a person or entity who receives service by mail or personal service does not, in fact, have any ownership interest in a water right in any of the nine categories set forth in Paragraph 3 of the Court's April 18, 2000 Case Management Order. In addition, that person or entity need not be burdened with this litigation and, if there was a change in ownership, a new party may need to be added to the action. Before any such person may be omitted from this action, certain information and documents will have to be provided to the Plaintiffs and the Court.

Based upon the foregoing, it is hereby ORDERED as follows:

1. If any person or entity receiving service by mail or personal service has no interest in any water right within any of the nine categories set forth in Paragraph 3 of the *Case Management Order* (Apr. 18, 2000)¹, that person or entity shall notify the Court and the

You should review the *Case Management Order* and *First Amended Counterclaims* filed by the United States and by the Walker River Paiute Tribe, which are included in the materials served upon you. For convenience, the nine categories of persons and entities that the Court has ordered to be served and named are listed here:

1. Category 3.a.: The successors in interest to all water rights holders under the Decree (April 14, 1936), modified, Order of Entry of Amended Final Decree to Conform to Writ of Mandate, Etc. (April 24, 1940) ("Decree").
2. Category 3.b.: All holders of surface water rights under the laws of the States of Nevada and California in the Walker River Basin who are not presently parties to this adjudication.
3. Category 3.c.: All holders of permits or certificates to pump groundwater issued by the State of Nevada and domestic users of groundwater within Sub Basins 107 (Smith Valley), 108 (Mason Valley), 110A (Schurz Subarea of the Walker Lake Valley), and 110B (Walker Lake Subarea of the Walker Lake Valley).
4. Category 3.d.: All holders of permits or certificates to pump groundwater issued by the State of Nevada within Sub Basins 106 (Antelope Valley), 109 (East Walker), and 110C (Whiskey Flat-Hawthorne Subarea of Walker Lake Groundwater Basin).
5. Category 3.e.: All users of groundwater for irrigation in California in the Walker River Basin.

1 United States in writing of that fact

2 2. If such person or entity sold or otherwise conveyed ownership of all of the water
3 rights that the person or entity once owned before they were served or otherwise brought into
4 this action, in addition to disclaiming any interest in this action, they shall include a notice
5 providing the following information:

- 6 A. The name and address of the person or entity who sold or otherwise
7 conveyed ownership;
8 B. The name and address of each person or entity who acquired ownership;
9 and
10 C. A copy of the deed, court order or other document by which the change
11 in ownership was accomplished.

12 3. The disclaimer and notice shall be sent to the Court and counsel for the United
13 States, addressed as follows:

14 Linda Lea Sharer, Chief Deputy Clerk
15 United States District Court for the District of Nevada
16 400 South Virginia Street, Suite 301
17 Reno, NV 895501

18 Susan L. Schneider
19 United States Department of Justice
20 P.O. Box 756
21 Littleton, CO 80160

22 4. The form and substance of the disclaimer and notice shall substantially conform
23 to the form attached to this Order as Exhibit A.

24 5. Following their receipt from any person or entity disclaiming any interest in any

25 6. Category 3.f.: All holders of "vested rights" to the use of groundwater under the laws
26 of the State of Nevada within the Walker River Basin.

27 7. Category 3.g.: All municipal providers in Nevada within the Walker River Basin
28 who currently use groundwater

29 8. Category 3.h.: All municipal providers in California within the Walker River Basin
30 who currently use groundwater.

31 9. Category 3.i.: All industrial users in Nevada within the Walker River Basin who
32 currently use groundwater.

1 of the water rights at issue in this case of a Waiver of Service of Notice in Lieu of Summons
2 and any Disclaimers of Interest and accompanying information and documents sought by this
3 Order, Plaintiffs will review the materials received and, if appropriate, seek the Court's
4 concurrence in omitting that person or entity filing such materials from this case.

5 6. If Plaintiffs do not receive a Waiver of Service of Notice in Lieu of Summons
6 and must personally serve a person or entity that subsequently files a Disclaimer of Interest
7 pursuant to this Order, Plaintiffs will also review the materials received and, if appropriate,
8 seek the Court's concurrence in omitting the person or entity from this case, but that person or
9 entity may be subject to paying the costs related to formal personal service on them.

10 7. Despite the above provisions, any person or entity who files a Disclaimer of
11 Interest in this matter is ultimately responsible for the accuracy of this filing. Consequently,
12 any person or entity who files a Disclaimer of Interest, but, in fact, has water rights subject to
13 this litigation, shall nevertheless be bound by the results of this litigation.

14 8. Any person or entity subject to service under the Federal Rules of Civil
15 Procedure who receives notice of this action in the manner provided by Federal Rule of Civil
16 Procedure 4(d) remains subject to the duty to avoid unnecessary costs of serving the summons,
17 even if that person or entity ultimately disclaims any ownership interest in any of the water
18 rights described by Paragraph 3 of the Court's April 18, 2000 Case Management Order.

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.
